SANGIOVESE SUPERIORE ROMAGNA DENOMINAZIONE DI ORIGINE CONTROLLATA

Iko, Federico, the most introvert and reserved of Tozzi's grandchildren, like this red Sangiovese aged in barriques, requires patience. Elegant, polite, only apparently technical, once the initial approach is over, it is capable of unlocking the memory of centuries of cultivation, dedication and farming know-how.

Technical information:

- 100% Sangiovese
- Production Area - Casola Valsenio, Vena del Gesso of Romagna Regional Park (RA)
- Vineyard Altitude - 400 m above sea level - North-East
- Soil type - Loam
- Vine training system - Single Guyot
- Manual harvest
- Temperature-controlled spontaneous fermentation in steel
- Aged on lees in French oak barriques for 12 months before bottling, followed by at least 2 months of bottle ageing
