TANTALILLI

ALBANA SECCO ROMAGNA

DENOMINAZIONE DI ORIGINE CONTROLLATA E GARANTITA

Tantalilli, Natalia, the third granddaughter of the Tozzi family. Beautiful, with an unripe beauty all of her own, almost without even being aware of it, just like this dry Albana that reaches the nose first with a Mediterranean scent of aromatic herbs, and then expands into a jubilation of scents. Instinctive impulses, born of natural determination, tamed by the hand of man, who makes this wine a sporty and elegant nectar.
